Newsletter December 2024

Dear brothers, sisters, family and friends,

Next year it will be 30 years that we were allowed to help sow the Word of God through the foundation and since 2018 we have been allowed to sow directly. First under the name Boaz Gospel Support and later under the name Boaz World Word Project. The following also applies to us: "Those who sow in tears will reap with joy". And: "Through Me fruit can be found in you". We are so grateful and happy that we were able to see some of the fruit in the past year. We want to share this with you in this letter through a number of testimonies.

Reflection by Rev. Henk Schouten

Christmas atmosphere! How long does the Christmas candle burn?

"As I sit behind my keyboard, I think about what the Lord wants me to share with you. The end of the year is approaching and with it Christmas. I am not yet in the mood to write something about Christmas. For me it is an eye-opener. Our world is already being brought into this so-called atmosphere. The garden centers are being decorated with Christmas trees, Christmas baubles and whatever else can enhance the Christmas atmosphere. This Christmas atmosphere has a shelf life of a few weeks at most. People imagine themselves in a dream world for a while, but are forced to come back down to earth after the holidays. In the reality of everyday life. I still remember that we once held an Evangelism campaign in a church. We handed out candles with the text: "This candle has a maximum burning time of five hours. We want to bring you into contact with the Light of the world, That will never be extinguished".

These few burning hours characterize the Christmas atmosphere of this world. Our "Christmas atmosphere" never ends. That has to do with the coming of God's Son, His unspeakable Gift. He is our joy day after day and we look forward to His coming in glory. **Maranatha!**

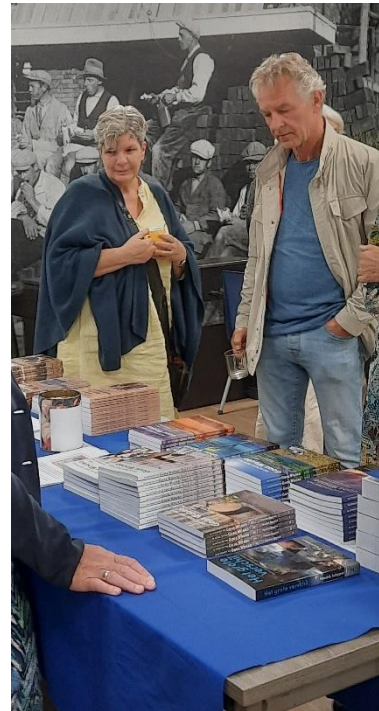

Goal of founder Boaz World Word Project: The first calling of Henk Schipper was the people of Israel. He had a great desire to reach God's people with the Message of the Messiah, which is especially expressed in his book: "**The Messiah revealed in the Holy Scripture**". This is also evident and confirmed in the various testimonies.

Testimonies:

Hans and Jolande from Roosendaal

“Through the Corona events, two blind, non-believing ignoramuses had their eyes opened. In search of the truth, we found the Truth and came to faith. We became hungry for the Word, wanted to know, wanted to learn. We bought a Bible and went looking for Bible studies on the internet and Bible study books. We discovered the web-shop of Het Zoeklicht and there we ordered among other things a package with the first three parts of the series "The actuality of God's Word" by Hendrik Schipper. For new believers like us, these books were very enlightening and educational! Clear explanation with substantiation from the Bible.

In the first part, the signs of this time and of what is yet to come are clearly explained. We then ordered a few copies from the EAS foundation (Evangeliesupport Anderstaligen) to be able to distribute in our area, with the aim of helping people with them. Because the EAS stock was limited, they put us in touch with Kenna Schipper from the Boaz World Word Project foundation, which distributes the books for free and where you can also download the books for free via the website www.godsbeloftenvoordevolken.nl. What a wonderful work, to spread the Word in this way and make it accessible to everyone, and that in multiple languages! For ourselves, the books are a blessing and to build up our faith. And we hope to reach other people with the books as well. Hopefully many more eyes will be opened to the Truth”.

Gerard from Ede

“My name is **Gerard** and I am a **volunteer at the Sjofar Foundation**. Twice a month I am allowed to evangelize by bus on Saturdays and in this way try to get in touch with interested parties. I speak to different people, with different backgrounds. In the past (and still) the Bible was a complicated book for me, with all kinds of prophecies about Israel. I couldn't do much with it, because I didn't understand what they related to. Past tense, future tense. Or both? I didn't hear much about that in sermons.

I also heard about the church that had replaced Israel and that Jews, if they were going to believe in Jesus their Messiah, had to become members of the church. Later, when I started reading a lot, I discovered through Het Zoeklicht in Doorn that many prophecies are still future. I also learned to understand the signs of the times with the Bible next to the newspaper.

I love the Jewish people. Every now and then I meet Jewish people at the bus and then I try to explain something about their Jewish Messiah. The Gospel was written first for the Jew and then for the Greek (is the non-Jew). With the books that Hendrik Schipper has written, I can now reach them in their own language. I cannot convert them. Only the Holy Spirit can do that. But I may pray persistently for them. Will you pray with me that they may discover their Messiah? If we sincerely love them, the Lord will use that to remove the veil that prevents them from (re)cognizing their Jewish Brother (the Lord Jesus).”

Harm and Fenneke from Spijk (Gr.)

One thing leads to another!

“This afternoon (11 November) we were able to meet Kenna. That was a good and inspiring meeting. Here is a short report of our experiences with the book by Hendrik Schipper: “Israël the apple of God’s eye”. During our holiday I read the book twice and was deeply impressed. The book was already in our attic!!!

After our holiday I contacted Kenna. This was the first time I came into contact with the Boaz World Word Project foundation. Kenna told me about her husband, Hendrik Schipper, about his testimony and the fact that he has written several books, which are distributed free of charge by the foundation. Hendrik Schipper wrote the books, but the Bible resonates in what he wrote. There are many misunderstandings about Israel, while the Lord is very CLEAR about this in His Word. The book “Israel God's eye apple” is composed in such a way that you no longer have to look up the Bible texts yourself. They are all written out!! Beautiful. The other books of the foundation are also very worthwhile and Biblical. The books have been distributed within our Bible study groups and the reactions have been very positive. Henk's latest book in particular: “Faith, Conversion and Rebirth” is highly recommended for building up your personal faith”.

Kind regards and Shalom from Harm and Fenneke.

Last, but not least, in that of brother Tim Lee (from South Korea) directly from Jerusalem

“Let me briefly explain my ministry. I go out on the streets every week to distribute the Word. I have been doing this for four years and recently I have been helped by other brothers. I hand out Bibles and also the book “**The Messiah Revealed in the Holy Scriptures**” in Hebrew. When I am doing that, I feel like I am really alive, because I am so happy and experience the peace and guidance of the Holy Spirit. Sometimes I am threatened, especially by

orthodox Jews, but so far I have experienced that the Lord protects me.

We encourage people to read the entire Bible, not just the New Testament. On average, we give out 10 copies of the book "The Messiah Revealed in the Holy Scriptures" each week. I came into contact with Kenna through the website www.themessiahrevealed.com and she referred me to the Israel Bible Society in Jerusalem and also put me in touch with the director, Victor Kalisher. Since that meeting, about four months ago, 85 people have received this book. Including the Bibles, we were able to give the Word to 103 people. I pray and call on you to pray that the veil will be taken away from the Jewish people and that they will see the one true Messiah.

Finally, I ask that you pray for the Messianic church that I serve: that they may grow in their faith and become true disciples of the Lord Jesus. And please pray for me and my ministry as well."

I have nothing more to add to this. **Let us praise, glorify and thank the Lord Jesus! Wonderful are His works.**

Points of thanks:

1. For the encouraging testimonies.
2. For the more than 2000 books that we were able to distribute last year.
3. For the support, so that we were able to have almost 2000 more books printed.
4. For the possibilities to distribute the books via the book table at various locations in the country.

Prayer points:

1. That the seed that has been and is being sown may germinate and bear fruit.
2. For the people of Israel, the hostages and Victor Kalisher and his family and ministry.
3. For the board of the foundation. That we may gain wisdom in everything we are doing and what comes our way.

Finally, we wish you as the board a blessed Christmas and also God's blessing for 2025.

"And the Spirit and the bride say: Come! And let him who hears say: Come!"

Kenna Schipper
